

The Greywell Collection

Exclusively from Pavilion Interiors

The Greywell Collection

This is a brand new and exclusive collection made for Pavilion Interiors.

The Greywell Collection combines a sophisticated blend of architecture and contemporary style using natural timber, mirrored glass and an industrial twist. This is an effortless combination of fine structural lines together with a sleek modernism. Designed to be both elegant and practical each piece will reflect the room tones, playing the light and shadows, commanding attention without even trying.

Handcrafted using traditional joints, from solid Mango wood, steel and glass this wonderful collection is finished in a highly durable grey wash and complimented with iron handles.
